Welcome to **The Connector**. Fetching the freshest animal health news.

Important Things You Need to Know

Welcome New Board Members: Fiona Rey, Dr. Fatou Sow and Dr. Jill Stohs

We’re excited to welcome Fiona Rey of Elanco, Dr. Fatou Sow of Boehringer Ingelheim and Dr. Jill Stohs of Dechra to the Animal Health Corridor Board of Directors. These industry leaders bring incredible energy, insight, and passion to the table. We’re excited to have them on board as we continue moving the industry forward together.

Supporting Career Growth Without Holding People Back

As a leader, watching someone on your team grow into their next opportunity can feel like a double-edged sword: pride in their progress paired with the sting of loss. You want to be the kind of leader who champions careers. However, when that growth means leaving the team, it can get complicated. This month's blog dives into ways to help both sides find success today and down the road.
