

PRESS RELEASE FOR IMMEDIATE USE

Will Valentine Accepts Role as National Sales Manager, Dechra Veterinary Products

May 5, 2017 Overland Park, KS

Dechra Veterinary Products is pleased to announce that Will Valentine has accepted the role of National Sales Manager, effective July 1, 2017.

Will brings a wealth of knowledge and experience to the position. He has a successful track record in the industry spanning 27 years, most of which have been in a sales management role. In his current role as Regional Manager of the Northwest Region, the regional sales team has consistently performed at a high level and they have won Dechra's Region of the Year the past two years. Dechra's executive leadership is confident in Will's ability to lead the sales team as the U.S. business continues to grow.

In Will's new role, he will be responsible for all aspects of managing the company's sales force to ensure sales goals and financial targets are met or exceeded. He will expand his partnerships to key distributor executives and representatives across North America, as well as, grow and strengthen relationships with key veterinarians and opinion leaders throughout the country.

Dechra Veterinary Products, located in Overland Park, Kansas is the U.S. sales and marketing division of Dechra Pharmaceuticals PLC, a UK listed company dedicated to the animal healthcare market. Dechra Veterinary Products' companion animal portfolio focuses on endocrinology, dermatology, ophthalmology, anesthesia, fluid therapy, pain management and joint health support. Our brands include VETORYL® Capsules (trilostane), ZYCORTAL® Suspension (desoxycorticosterone pivalate injectable suspension), FELIMAZOLE® (methimazole) Coated Tablets, ANIMAX® OINTMENT (nystatin, neomycin sulfate, thiostrepton, triamcinolone acetonide ointment), VETROPOLYICIN® (bacitracin-neomycin-polymyxin) Veterinary Ophthalmic Ointment and VETROPOLYICIN® HC (bacitracin-neomycin-polymyxin-hydrocortisone acetate 1%) Veterinary Ophthalmic Ointment, VETIVEX® line of parenteral fluids, and PHYCOX® joint health supplements. Dechra also offers a comprehensive line of topical veterinary products including MICONAHEX+Triz®, MALACETIC® and MAL-A-KET™ brands, plus a number of injectable anesthetics, oral anti-infectives and NSAIDs. Dechra's equine portfolio includes OSPHOS® (clodronate injection), Orthokine® vet irap 10 and 60, Osteokine® (PRP), and EQUIDONE® (domperidone) Gel and PHYCOX® EQ joint health supplements.
