

Community Forum And BioBreak

November 22, 1 to 5 pm

The Abbott

1901 Cherry St | Kansas City, MO 64108

Register at biokansas.org/event/2019forum

We'll be congregating on November 22nd to hear from experts in food science discuss sustainability, food security, economic impact and current innovations in agriculture. We'll begin with a panel discussion followed by a networking reception to continue the conversation.

Members - \$20, Non-members - \$40
