MEMBER HIGHLIGHT

AmerisourceBergen MWI Animal Health

As pet parents increasingly want to do more digitally, veterinary practices need more digital solutions to connect with their customers. MWI Animal Health is making investments to develop their own tech-based services and support and are establishing relationships with companies across the technology industry to build an ecosystem that helps customers fulfill that need. [Read more](#)

Meet a Member

Meet **Spencer Breithaupt**, Vice President of Sales & Supply Chain Solutions with AmerisourceBergen MWI Animal Health and Vice Chairman of the KCAHC advisory board. [Watch Now](#)

PAWSITIVE NEWS

Dechra Pharmaceuticals Supports Retrieving Freedom, Inc.

Dechra Pharmaceuticals has now sponsored two puppies on behalf of previous **Spirit of Service** honoree, **Retrieving Freedom, Inc.** Reid, the latest sponsored puppy, is a 6-month-old golden retriever.
