

December 2022

Welcome to **The Connector**. Your monthly source for Animal Health Industry news.

3 Things You Need to Know

Pass the Paw: December 2022

We're asking animal health professionals and students to "Pass the Paw" in a monthly video series. This month, our participants share their key learnings from 2022.

[Check out their answers!](#)

2023 Strategic Priorities

The Animal Health Corridor continues to work within the industry to increase engagement with the Animal Health Industry, expand public policy development efforts, improve workforce development, and advance innovation.
