CORRIDOR CONVERSATIONS

Med Dimensions (Buffalo) vs. The Corridor (Kansas City)

The national comradeship of those in the animal health industry can be highlighted by a goodhearted sporting bet between two team players. In our latest blog post, read how a playful wager between Med Dimensions and the Corridor leads to a larger perspective of our industry. [Read more](#)

Spirit of Service Nominations Open

February 28 is the last day to nominate a nonprofit organization for the Spirit of Service award. Nominate a deserving organization today that works tirelessly to improve the health and lives of animals and plays a critical role in the human-animal bond. Since 2016, the Spirit of Service award has honored 11 organizations and donated nearly \$140,000.
