Don't Miss the Animalytix Mid-Year Market Update

The annual Animalytix Mid-Year Market Update, supporting the **Animal Health Corridor's Spirit of Service program**, will take place on August 10. This event will provide a detailed analysis of the companion, equine, cattle, and swine markets for 2023, comparing them to the previous year. All registration proceeds from this event will be donated to the 2023 Spirit of Service Honoree **PANT**, as well as two past recipients, **Community Veterinary Outreach** and **Heartland Therapeutic Riding**.
