

IMPORTANT THINGS YOU NEED TO KNOW

Big Things Await at the 2025 Animal Health Summit

Early Bird Registration Ends July 18

Lock in your spot before prices go up. You'll get access to two days of industry networking, emerging company showcases, and business partnering meetings—all in one place.

1:1 Business Partnering Opens July 21

Mark your calendars: 1:1 partnering opens July 21, giving you the chance to schedule high-impact meetings with partners, investors, and collaborators at the Summit.

New Technologies You'll Want to See

From AI copilots and feline cancer treatments to smart harnesses and advanced diagnostics, this year's emerging companies are redefining animal health. Don't miss what's next.

REGISTER TODAY

SUMMIT AGENDA

What's Shaping Animal Health Now and What's Next

Register today and join us August 5 at 10:00 am CDT for the **Animalytix** Mid-Year Market Update, a virtual event delivering the latest data, insights, and trends in animal health to help you navigate the rest of 2025.

Your registration does more than unlock insights - proceeds will support **On A Mission KC**, our **2025 Spirit of Service** honoree, helping deliver critical resources and supplies to rural animal shelters across Kansas and Missouri.

REGISTER NOW

Fall Networking at Vytelle

Join us October 21 from 4-6 p.m. at **Vytelle** for an evening of networking with animal health professionals and Corridor colleagues. Mark your calendar now and watch for registration details soon.

SAVE THE DATE

Creating a Cat-Forward Animal Health Industry

As more families welcome cats into their homes, it's pertinent that the animal health industry adapts from a canine-first model to one that embraces feline health and wellness as a priority. Hear how we can do just that in this month's blog.
